### TOWN OF MONON NOTES TO FINANCIAL INFORMATION

#### Note 1. Introduction

The Town was established under the laws of the State of Indiana. The Town operates under a Town Council form of government and provides the following services: public safety (police and fire), highways and streets, health and social services, culture and recreation, public improvements, planning and zoning, general administrative services, water, wastewater, and urban redevelopment.

#### Note 2. Fund Accounting

The Town uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

#### Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied or highway use taxes are received are subject to final approval by the Indiana Department of Local Government Finance.

#### Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Town in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Town on or prior to December 31 of the year collected.

#### Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Town to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

#### Note 6. Pension Plan

Public Employees' Retirement Fund

#### Plan Description

The Town contributes to the Indiana Public Employees' Retirement Fund (PERF), a defined benefit pension plan. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the PERF Board, most requirements of the system, and give the Town authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3% of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

PERF administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Public Employees' Retirement Fund Harrison Building, Room 800 143 West Market Street Indianapolis, IN 46204 Ph. (317) 233-4162

#### Funding Policy and Annual Pension Cost

The contribution requirements of the plan members for PERF are established by the Board of Trustees of PERF.

### TOWN OF MONON EXAMINATION RESULTS AND COMMENTS

#### CAPITAL ASSET RECORDS

Neither the Town or the Utilities maintained detailed capital asset records. A similar comment was in prior Report B25978.

Every governmental unit should have a complete inventory of all capital assets owned which reflect their acquisition value. Such inventory should be recorded in the Capital Assets Ledger. A complete inventory should be taken every year for good internal control and for verifying account balances carried in the accounting records. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 7)

#### **DELINQUENT WASTEWATER ACCOUNTS**

Delinquent wastewater fees and penalties had not been recorded with the County Recorder nor were they certified to the County Auditor which would result in a lien against the property. A similar comment was in prior Report B25978.

Indiana Code 36-9-23-33 states in part:

- "(b) Except as provided in subsection (I), the officer charged with the collection of fees and penalties assessed under this chapter shall enforce their payment. As often as the officer determines is necessary in a calendar year, the officer shall prepare either of the following:
  - (1) a list of the delinquent fees and penalties that are enforceable under this section, which must include the following:
    - (A) the name or names of the owner or owners of each lot or parcel of real property on which fees are delinquent;
    - (B) a description of the premises, as shown by the records of the county auditor; and
    - (C) the amount of the delinquent fees, together with the penalty; or
  - (2) an individual instrument for each lot or parcel of real property on which the fees are delinquent."
- "(c) The officer shall record a copy of each list or each individual instrument with the county recorder. . ."
- "(e) Using the lists and instruments prepared under subsection (b) and recorded under subsection (c), the officer shall, not later than ten (10) days after the list or each individual instrument is recorded under subsection (c), certify to the county auditor a list of the liens that remain unpaid for collection in the next May. . ."

#### PERSONAL EXPENSES

Payments were made to the Sportsman Inn for Christmas Party dinner for the Town employees for \$408.38 in 2005 and \$487.71 in 2006. A payment was made to the Monon Family Restaurant for Police Training Lunches.

### TOWN OF MONON EXAMINATION RESULTS AND COMMENTS (Continued)

Public funds may not be used to pay for personal items or for expenses which do not relate to the functions and purposes of the governmental unit. Any personal expenses paid by the governmental entity may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 7)

#### CONDITION OF RECORDS - TOWN COURT

Financial records presented for audit were incomplete and not reflective of the activity of the Town Court Fund. The records presented did not provide sufficient information to audit or establish beginning balances, receipts, disbursements, ending balances, or the accuracy or correctness of the transactions.

At all times, the manual and/or computerized records, subsidiary ledgers, control ledger, and reconciled bank balance should agree. If the reconciled bank balance is less than the subsidiary or control ledgers, then the responsible official or employee may be held personally responsible for the amount needed to balance the fund. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 7)

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 7)

#### RECEIPT ISSUANCE

The Town Court allows individuals to make partial payments on tickets and enter into payment plans for the balance due. When a partial payment is received an entry is made to the individuals' payment card and the cash is placed in a cash box maintained by the Court. No receipt is issued for partial payments received nor are they posted to the record. When the final payment for the ticket is received the total collected for the ticket is deposited to the bank, recorded to the record and receipt issued. On December 31, 2006, the Court was holding \$144.00 of Court receipts waiting for final payments.

Receipts shall be issued and recorded at the time of the transaction; for example, when cash or a check is received, a receipt is to be immediately prepared and given to the person making payment. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 7)

Indiana Code 5-13-6-1(d) states in part: "A city or a town shall deposit funds not later than the next business day following the receipt of the funds in depositories selected by the city or town as provided in an ordinance adopted by the city or the town and approved as depositories of state funds."

#### WRITTEN POLICY FOR PARTIAL PAYMENTS - TOWN COURT

The Town Court has no formal written policy for the partial payments that they are receiving, addressing how they will handle the timeliness of payments received, payments not received, etc. There is also no fund established (for example - Town Court Partial Payment Plan Fund) for which to receipt them into.

Each court should establish written guidelines on how to handle refunds and NSF checks. Such policy should also address whether the court will accept partial payments of the court costs, fines, and fees which are due. (Accounting and Uniform Compliance Guidelines Manual for City and Town Courts, Chapter 4)

TOWN OF MONON EXIT CONFERENCE
The contents of this report were discussed on February 6, 2007, with Michele J. Robinson, Clerk-Treasurer; and Robert Harvey, President of the Town Council. The officials concurred with our findings.
